

FALL

2024

OUR “SYLLABUS”

for the semester

COURSE DESCRIPTION

Simply put, our college ministry exists to help enrich your life in Christ! We aim to do that primarily through our Bible studies, shared resources, personal connections, encouragement, & our unity as a church here at University.

COURSE CALENDAR

- 1. Sunday Mornings.** John Lay is heading up our Sunday morning Bible study in the College Room at 9AM. We'll have some breakfast refreshments & coffee! After class, we have worship at 10AM.
- 2. Sunday Nights.** Most every Sunday night, we'll meet at the Kingsley's house at 5pm for a Bible study and usually some dinner too. This Fall, we'll be studying Ezekiel.
- 3. Wednesday Nights.** Every Wednesday night of the school year some of our members provide a home-cooked meal for you before Bible study! Our Midweek Bible study starts this Wednesday with dinner at 5:30pm in our fellowship hall! Our Bible study period runs from 6:30–7:15pm in the college room.
- 4. Service Nights.** On three Wednesdays during the semester, we'll break out after dinner to serve our community and congregation. We'll be visiting shut-ins, taking food to people in need, studying the Bible in public places, and helping out with whatever needs arise on campus, in our community, and among our congregation.
- 5. Open College Room on Fridays.** Starting a few weeks into the semester, the college room will be open on Fridays for you to come study and/or hangout until 11PM.
- 6. Fall Retreat.** After a great trip last year, our Fall Retreat will be back in Gulf Shores, AL on Oct 24–27! We'll head out that Thursday night and we should return around 3 or so on Sunday afternoon. Cost for the trip is only \$25!
- 7. Whitewater Rafting.** On Friday, Aug 23 we'll be headed to the new Whitewater park just outside of downtown Montgomery for the whitewater rafting course! Free for freshmen, \$20 for everyone else.

OUR "SYLLABUS"

for the semester

RECOMMENDED READING

1. Ezekiel. We're recommending that everyone read through Ezekiel a few times this semester as we discuss the book in our Sunday night Bible studies! If you read 3.5 chapters per day you'll make it through the entire book in just 2 weeks.

2. OT Reading Challenge. If you're up for a challenge, a few of us will also be working our way through the whole OT this semester. This one requires about 7 chapters per day but is more manageable than you think. If you're interested, sign up to get daily reminders on our website (ucoc.org/college).

GET STARTED

1. Check out the website ucoc.org/college.
2. Follow us on IG @universitycm
3. Become a part of our community! Attend worship, Bible studies, service projects, dinners on Wed nights, and fun events! Let us know you'll be around & that we can count on your encouragement & help! Sign up to lead in worship, help with the soundroom or nursery, or sign up to help with a kids' class. You can get started by filling out the "involvement form" on the website!
4. Once you're involved, get to know University church of Christ! Meet some people who aren't in the college group. Accept an invitation to dinner or a lunch and make a new friendship with a fellow believer in Christ.
